

Pilley Community Broadband Scheme

Broadband speed in Pilley is slow. A group of residents have been working with BT to design a scheme to improve this. We now have a final scheme that will bring high speed broadband to all areas of Pilley.

The anticipated speeds* are shown below.

When will this be implemented?

This will be completed by the end of **2016**.

What will this cost?

This scheme requires **£85,000** of funding.

How can you help?

- What is superfast BB worth to you - an average contribution of £600 from 50% of the households covered will raise the needed finance - do not delay in pledging today what you can afford.
- Speak to your neighbours and spread the word – this will only happen if many people get involved.

When do we need to complete this by?

All funds are required by **September 14th 2015**

What benefits will this bring?

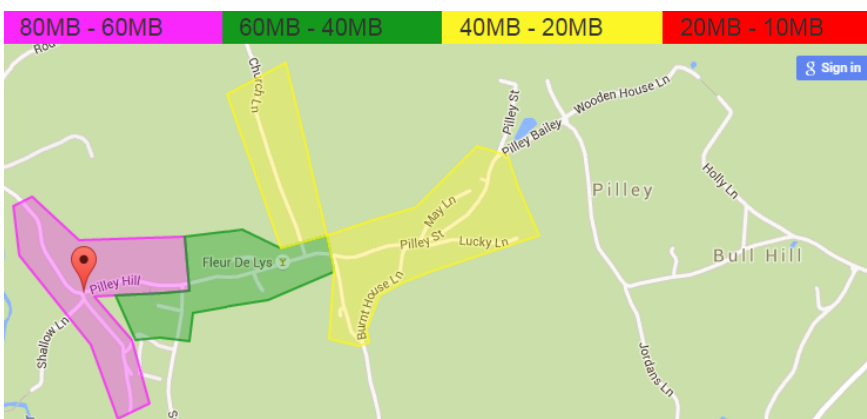

- Faster Internet connections
- Protect house prices vs. non-connected areas

For Pledges and more Information:

- Email: info@pilleybroadband.org
- Tel: 07736 285488 / 01590 673772
- Website: www.pilleybroadband.org

What will happen if we don't do this?

Hampshire County Council will upgrade the Pilley Hill cabinet by mid-2018. No further expansion of superfast broadband is planned. HCC will run a voucher scheme to apply for satellite internet installation for those with sub-2Mbps speeds. A coverage projection* is shown below:

*Disclaimer: Speeds shown are for guidance only based on estimates by OpenReach or by distance from a fibre enabled cabinet and may not reflect the final speed achieved at a specific property.

Pledge Form

Please complete the form below and return to:

Sunnycroft, Pilley Street, Pilley, SO41 5QG – Sunnycroft is directly opposite Boldre War Memorial Hall

Or pledge via:

Email: info@pilleybroadband.org

Tel: 07736 285488 / 01590 673772

Individual pledge values will not be published
